MAPA MENTAL SOBRE SU (PERSONAL LEARNING ENVIRONMENT) PLE GA4-240202501-AA1-EV02

Taller Práctico

OCTUBRE DE 2023

SENA

Centro Ambiental y Ecoturístico del Nororiente Amazónico

## INTRODUCTION

A personal learning environment is the set of elements used to manage personal learning, It allows you to manage your learning process autonomously, It helps you organize your sources of information, tools and contact networks and Share these resources with others, You can develop the ability to manage the large amount of information that exists in Internet.
